I just got my nursing license, and my cool, white nursing outfit. It's right over there, laying across a chair. My first patient has come in and I'm going to photograph and video it so I can study it later. He says his cock is always in an ass hole. Now, I can fix that.

I never thought they'd put me in the clinker for a wardrobe malfunction. It's been two days now, and thankfully I'm allowed a conjugal visit. And they only way they allow that is if the prison guard can photograph it. I guess I don't have much choice.

From Mikes' Roomie in College...

It was last Saturday afternoon and I was vacuuming the living room. We had a party the night before and, unfortunately, it was my time to clean up. Suddenly the vacuum stopped. I tried the button a couple of times, no luck. Then I turned around, thinking it had become unplugged. And it had. Holding the cord was Doreen and standing next to her was another girl that I had met only once, Payton was her name, I think. Doreen had dated Mike, my housemate, for a year or so, but now it was on again off again booty calls. I asked if they were looking for Mike but they said no, they were looking for a drink. I looked at the both of them and went into the kitchen and pulled a couple brews from the fridge.

Doreen was a good looking girl and her friend was nice too, a bit more scruffy than Doreen. I brought the cans back out to the living room, along with one for myself. They were already sitting on the sofa as I handed them their drinks. We were chatting and sipping the drinks when Doreen, who was sat opposite me, opened and crossed her legs to reveal white panties, I feel sure she knew what she was doing because Payton giggled.

Payton was wearing a short skirt also, but she sat at the side of me. I couldn't stop looking up Doreen's skirt as I have a thing about white panties, so obviously it was getting me horny. She suddenly said "Do you like what you see?" I replied "Yes, yes I do." and with that she kept her legs open. I turned and said to Payton, "And what color are yours?" and she said "Pink."

Are you kidding us. Just look at Tiffany. She looks like a teen goddess and fucks like a nympho. And her fuck buddy Charlotte sure took all those cocks like pros. How can we get in on it!

I leaned over and lifted up her skirt to see for myself, and yes, they were pink. As I looked under her skirt, she opened her legs and I slipped my hand on the inside of her thigh, slowly caressing her. I made my way up her leg, and she put her arm around my neck. When I reached her panty, I ran my finger down the front of them.

I leaned in to kiss Payton and soon we were swapping spit, tongues and all, as I was running my finger up and down her panty. Doreen came over and stroked my cock through my pants. I moved my fingers inside Payton's elastic and found her to have a very wet pussy and as I fingered her and rubbed her clit, she went stiff and moaned. She had cum.

I stood up and lifted Payton onto her feet and lifting up her skirt I pulled

down her panties to reveal a bald pussy. As I was doing this, Doreen had unclipped her bra and her firm tits appeared. Doreen began to lick her nipples as I pulled Payton onto the sofa. Pulling down my pants, I fed my seven-inch cock into this slim, young nineteen year old.

On the sofa, I rocked her with my chunky boner, as Doreen was rubbing her clit and licking her nipples. She said she was cumming again; moaned and started to cry. I pulled out and she trickled out pussy juice which Doreen leaned in to lap up. I stood there watching this as hard as a rock, when Payton put her hand up Doreen's skirt, and was obviously rubbing her.

I lifted up Doreen's skirt and there were Payton's fingers inside her panties her crack. What a turn on! Moving Doreen onto her back, she and Payton got into a sixty-nine. I didn't know where to put my cock. As I'd already fucked Payton, I inserted myself deep in Doreen's pussy. As I was taking her from behind she was moaning, I could only imagine the feeling of being fucked and licked at the same time. As I banged her, she said she was cumming, so as she shouted out her climax, I shot my seed into her deep pussy, pumping and pumping what seems to be gallons. When I pulled out Payton was licking my sperm out of her engorged pussy.

I sat on the sofa as Doreen sat Payton up and they started to kiss some more, feeling each others boobs. As they sat there touching and stroking each other, I was rock hard again. Payton came over to me and began to suck my cock,

as Doreen buried her face into her snatch. As she licked me I said "Come here and sit on me."

Payton got up and sat on my cock, bouncing up and down on my pole as Doreen rubbed her clit as I felt her boobs. After a few minutes I told her

laughed and collected ourselves. As we got dressed Doreen said she was sorry they missed the party last night. They headed to the door and Payton turns around and asks, "Can we do this next week?" I said 'Sure.' and the walked out. I went and plugged the vacuum back in.

She was rubbing her nipples onto Payton's pussy as I grabbed my rock hard cock and fed it back into her wet young pussy.

to their rooms to pass out. At this point the girl and I were just sitting around listening to music on the internet.

I found her getting closer and closer to me despite the fact she knew I had a girlfriend. It eventually got to the point where she was laying her head on my chest as we listened to oldies together. I was getting more and more excited the whole time and my heart was racing at this point. So I finally turned her head towards mine and started to kiss her. She was so quick to return my kiss that it was clear she had been thinking the same as me. We made out furiously as I explored

to get off and kneel on the floor and as she did, Doreen just wouldn't leave her alone. She was rubbing her nipples onto Payton's pussy as I grabbed my rock hard cock and fed it back into her wet young pussy.

Fucking her brains out, I built up speed and I knew I was cumming, Pulling out Doreen put her mouth over my cock-head and I deposited all my jizz into her throat. She then swallowed and sucked me dry. I asked each girl in turn if they had cum. Each said they did and Payton said 'three times.' We all

from Davey exDuke Blue...

My girlfriend and I met in college and we have been dating for about a year now. This summer she's out of town for a teaching internship. Logically I've gotten progressively hornier as the weeks pass without her.

It all started one night when my housemates' friend came over to hang out. The four of us including my housemates and the girl proceeded to drink. We all got more and more inebriated as the night went on until slowly my other two housemates drifted away

her body with my free hand. She began rubbing my hard cock through my gym shorts and it was clear where this was going. She pulled away from me, got down on her knees in front of the couch and she reached into my pants to pull my cock out.

The moment it cleared the waistband she enveloped it with her mouth and began to suck. I was thinking about how crazy it was that I was cheating, but its hard to argue when your cock is already getting milked by an eager college girl's mouth. We locked eyes as

YES, I'M HOT.

*I'm also sassy,
a sweetheart,
opinionated,
a bitch,
your lover,
and your
very worst
nightmare.
I'm your
ex.....
asshole.*

she went up and down my shaft licking it from root to tip. If someone had told me yesterday that this girl would have my dick buried in her throat I would have never believed them. I grabbed her free hand and cradled them under my balls. She proceeded to moan for me and the vibrations of her throat felt

short of breath but I didn't care. So I went harder and harder until I finally pulled out and she took a desperate breath of relief.

I rewarded her by smacking my cock against her lips. She chuckled at that so I shoved myself back in and fucked

The last thing I wanted was to wake up my housemates and have them find me balls deep in our mutual friend's throat.

thumb and finger. She gripped my penis at its base and wrapped her soft lips around my swollen head.

Her final push for me to cum went into action. Her hands pumped my balls and shaft rhythmically as she relentlessly sucked and licked the most sensitive place on my cock. She milked me like this for quite awhile and since I had quite a bit to drink, it was very difficult to cum. Finally I felt the warm tingling sensation begin in my cock.

amazing on my dick. I reach behind her and pulled her shirt over her head and undid her bra as she resumed sucking. Her ample tits were now bare in front of me for the first time. I started to cup and fondle them and she started to bear down on my cock, going as deep as she could.

At this point the sucking noise was worrying me. The last thing I wanted was to wake up my housemates and have them find me balls deep in our mutual friend's throat. The thought crossed my mind and I quickly stood up ready to take this to a higher level. I firmly held her head and began slowly fucking her face. She already seemed

her throat some more. At this point she was breathing heavy and so I took a lay back on the couch. She crawled on top of me and began to slowly ease up and down my cock with her lips. I felt her tongue inside her mouth working against the underside of my cock as she sucked. Her throat ran short and her lips stopped a couple inches before they could wrap around the base of my cock. Her lips pursed tightly against my cock and retreated slowly back up its length in.

We both knew it was about time to finish this. She cradled my balls with one hand, encircling and rubbing the circumference of my ball sack with her

"I'm cumming!" I moaned and she went to work faster than before. I felt the pressure build to its peak. She started to withdraw her mouth but was a little too late as I sprayed her lips with cum. We both cleaned up and laughed off what just happened. I still don't know if my housemates heard or saw.

The girlfriend will still be out of town for a month and lately this girl has been trying to get me over to her house. If I fuck her, I plan on making it well worth my time. I'm gonna work her over real good, and I'll write all about it – if it happens. If it doesn't happen then I'll have the memories and this letter to remind me of it in my later years. Hope it does!

KELLY

There are days when my tight little butt hole works overtime. And I think this is going to be one of those days. I have to start with my fingers inside, and then I'm going to have this big cock in and out of me for several hours. I think that I like working overtime.

the summer's over in a few ticks – and I'm still out there looking for dicks

Only a couple more weeks of summer vacation are left and I'm trying to make the most of it. I've been sunning at the beach in Key West all summer and staying in reading all night. But tonight, I told myself, it's going to be different. I'm going to Bastille, a huge mega-club a couple blocks off the beach.

The name is kinda weird but the place is hopping and I like the atmosphere. And did I mention there were lotsa guys. There were some great looking guys. Guys with the perfect hair, perfect smile, and perfect body, too. I wanted them to talk to me, but I also wanted them to take it one step further. Be discreet and don't only buy me a drink, but slide between my legs a bit showing some slight romantic interest in me.

I hadn't got laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a girl with sweat running down her body? So I got myself ready for the club. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this. All the time I took to get ready for him. I'm waiting in anticipation for you, I kept telling myself. I'm more than just hungry for the right person, I am desperate for that man who wears the right cologne, walks up, and slips between my legs rubbing my neck as I sit atop my barstool staring into his eyes. There is a desire running in me. It's mounting, gradually rising, and should I say it is becoming a raging mad ball of fire within me. As I become hornier for him, I watch one after another walk past me, I become wetter and wetter, and slowly begin dripping a little, too. The moisture within has built to an incredible amount that is soaking the crotch in my panties.

Two plus hours have come and gone and I've looked around but no one, yes noone, has approached me this night, so I am going home. I really like the bartender. He has been sweet and gracious. He was not beautiful, but he was nice and gracious.

He told me at the very last minute he'd ask me out if conditions were different. I thought I would have fucked him only because I was bored, lonely, and already horny. That was making it an easy decision. I wouldn't tease; I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation which was a good idea, maybe. Sometimes I thought I wished I had. Just as I got into my car, some guy yelled out

asking me if I was leaving so soon.

I thought that was bold but told him – sorry, yes I was. He said he wished I would have stayed so we could have danced. He was cute and was the foundation for me playing and getting off that night at home.

I thanked him in my own way but obviously not face to face. Using my imagination, my orgasm Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy and he could get me to orgasm while we slow danced. All he did while we danced was finger-fuck my clit, going underneath my skirt and I loved it. I always love my fantasies. I've come up with some doozies, I think.

Thursday, another boring day, I told myself. I called an old friend who I knew to go shopping. I was going to ask her to go

to the club but didn't. I went shopping with her but she and I really didn't have much in common and by day's end it wasn't that much fun so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by 10pm, I gave in and went over to the club.

Going into the club, I walked over to the bar. He wasn't working that night. I

was disappointed. I asked the girl behind it and she said he was coming in soon to help out if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked. It was an extremely slow night. There were two on duty, her, and another guy. He was new, but she told me he was experienced. I thought, since I was bored and lonely, "how experienced is he?" She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home instead, or she could come home with me and have sex with me. I've never had sex with another female before although I goofed around in college back when I was a freshman and sophomore, but not as a junior. No, not this year I haven't. Things are different this year. I thanked her and told her maybe I'd think about it. She said it was alright and understood.

The bartender's name is Jason. He comes from a nice family. He and I wanted one thing. He and I were both bored lately and lonely as hell. I asked him what he wanted and he answered almost the exactly same way. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I was not disappointed because I was horny and anything would do. He was horny too. We didn't waste time as Jason made the first move. He leaned towards me as I watched his eyes close in on mine. It was beautiful.

He and I sat on my couch talking as he took the first step. He looked around my room and noticed how modestly decorated

my room was adorned. While I looked with him, he laid his hand on my thigh moving it across and down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton, person could blow at it and it would float up in the air almost. I liked it because of its free floating texture. I liked it because the skirts

always put me in a cheery mood. He liked it too because to him, I'm sure, it was an invitation to sex. I subtly opened my legs up allowing him some movement, and then I opened up more. I wore a matching lightweight top. I hoped he would take notice and move in on my breasts. They are large and firm. I'd been told that they are everyman's wet dream and I've exploited them that way before.

I began to like Jason more and more. We began to kiss. I felt Jason's tongue. I tugged at him. I wanted Jason and me to make love terribly. I wanted Jason to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I am sure but I didn't know it. He unbuttoned me as I wished. I smiled with fear. I wanted that but I feared I wasn't doing the right thing either. Once he unbuttoned me completely, he didn't remove my top. He looked inside and was overjoyed with what he saw. I was elated. I was anxious. I was hornier. I wanted Jason so much.

I love my breasts. I wouldn't change them. My roommates and I talked hours on end, privately in our rooms, having all sorts of conversations about them and guys. We laughed and laughed and we even played with them in the privacy of our rooms. But to guys, well guys love girl's boobs. I will never understand why but they hold special powers I sometimes think. So some days, like this week, my breasts are offerings to Jason. I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. He smiled and I knew I was right all along. Then I removed my skirt for

him too. Doing it said I was ready to make love to him. Jason took off his shirt. I liked Jason's chest right away. It was manly enough. I rubbed it. I liked it more. He smiled when I did. I asked him if he was smiling because of what I was doing. If it was nice. He said to me, "No, it's awesome." We laughed so I took off my top. He told me he was really turned on. I told him I was too. I asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

When I felt his bulge, which was magnificent, an indescribable rush flew throughout me. I asked him if I could take his pants off. He said yes. I was hot all over! I was going insane! I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw the splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him. I don't know what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff and lean just like him. I gave him the best blowjob any woman could give any man.

He was completely naked. He stared at my breasts. Jason, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen." Then Jason put his arms around me and we kissed and kissed

for a very long time.

Now both bare naked, I turned holding his hands, and I walked back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Jason caressed my breasts, and then around them. He kissed them, and the surrounding areas too.

Jason quietly kissed or caressed me everywhere. When I say everywhere, I mean anywhere and everywhere. It was and it wasn't intense. Building up to a moment of final ecstasy, Jason's hands swarmed me in areas no one has ever touched me before.

Jason's fingers slipped inside my butt cheeks, slowly they inched their way through to my hole, yes slowly, but surely they made their way. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down and delicately went into my ass hole. I squealed when feeling his fingers inside it. I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then took his hands and brought them around me and down to my clit. What a feeling. I can't say if I felt it before. My sexuality was blooming and all the sensations seemed amplified. He brought one hand back up to my boobs and gently pinched the nipple.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two strokes plunging thrusts into my ass and felt his warmth gush deep in my anus. We collapsed on the bed, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came. That night was full on sex and romance. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and more importantly, to me as a woman.

LUCY

Yes, I'm a true redhead with a fire that burns down below. I also have an insatiable sexual appetite for cock and I'm one m...fucking good cock-sucker. I have left many a hard dick as limp meat in the night. My mouth can do much more than a pussy so kick back and enjoy.
